

Barak

Structured Trade Finance Fund

Irish Stock Exchange

February 2018

CUSIP: G07899 100 | ISIN NUMBER: KYG078991000

INVESTMENT OBJECTIVE

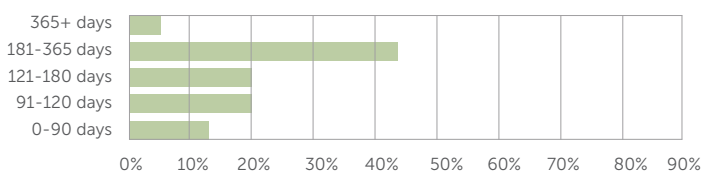

The fund aims to participate in African trade finance deals, with at least 100% collateral backing each deal without direct commodity price exposure. It targets a 8% return net of fees for investors with minimal volatility. Its objective is also to ensure a broad mix of countries, counterparties and underlying commodities and products as well as monitoring of collateral and other securities to minimise loss in the event of any defaults.
